**INDEPENDENT AUDITOR'S REPORT**  
**TO THE MEMBERS OF THE HONG KONG REPERTORY THEATRE LIMITED**  
(incorporated in Hong Kong with limited liability by guarantee)

We have audited the financial statements of Hong Kong Repertory Theatre Limited (the "Company") set out on pages 3 to 27, which comprise the balance sheet as at 31st March, 2014, and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Council members' responsibility for the financial statements**

The council members are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the predecessor Hong Kong Companies Ordinance, and for such internal control as the council members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. We conducted our audit in accordance with predecessor Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the council members, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements give a true and fair view of the state of affairs of the Company as at 31st March, 2014, and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the predecessor Hong Kong Companies Ordinance.

**Report on other matters under the Agreement between the Government of the Hong Kong Special Administrative Region and the Company (the "Agreement")**

We report that the Company has complied with, in all material respects, the requirements as set by the Government to keep proper books and records and to prepare annual financial report of the activities in accordance with the books and records, as well as all the accounting requirements in the Agreement and other relevant documents such as the Accounting Standards and Accounting Guidelines.

**NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014**

**1 General information**

Hong Kong Repertory Theatre Limited (the “Company”) is a company incorporated in Hong Kong with its liabilities limited by guarantee. Under the provisions of the Company’s memorandum of association, every member shall, in the event of the Company being wound up, to contribute such amount which may be required to meet the liabilities of the Company but not exceeding HK\$100 per member. The address of its registered office and principle place of business is 4/F., Sheung Wan Municipal Services Building, 345 Queen’s Road Central, Hong Kong. Its principal activities continued to be engaged in promotion, maintenance, improvements and advancement of the interest of the public in Hong Kong and elsewhere in drama and various related art forms.

**2 Statement of compliance with Hong Kong Financial Reporting Standard**

The Company’s financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRS”), which also include Hong Kong Accounting Standards (“HKAS”) and Interpretations (“Int”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”), accounting principles generally accepted in Hong Kong and the requirements of the predecessor Hong Kong Companies Ordinance. A summary of significant accounting policies adopted by the Company is set out in note 3.

The preparation of financial statements in conformity with HKFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company’s accounting policies. However, there are no areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements.

The HKICPA has issued certain new and revised HKFRS that are first effective or available for early adoption for the current accounting period of the Company. Note 4 provides information on the changes in accounting policies resulting from initial application of these developments to the extent that they are relevant to the Company for the current and prior accounting periods reflected in these financial statements.

**3 Summary of significant accounting policies**

**(a) Basis of preparation of the financial statements**

The measurement basis used in preparing the financial statements is historical cost.

HONG KONG REPERTORY THEATRE LIMITED

NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014

3 Summary of significant accounting policies - Continued

(b) Property, plant and equipment

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and any impairment losses.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, on a straight-line basis over their estimated useful lives as follows:

Furniture and fixtures	3 years
Office and computer equipment	3 years
Audio and stage equipment	3 years

The residual value (if any) and the useful life of an asset are reviewed at least at each financial year-end.

The Company assesses at each balance sheet date whether there is any indication that any items of property, plant and equipment may be impaired and that an impairment loss recognised in prior periods for an item may have decreased. If any such indication exists, the Company estimates the recoverable amount of the item. An impairment loss, being the amount by which the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount, or a reversal of impairment loss is recognised immediately in the statement of comprehensive income.

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item and are recognised in the statement of comprehensive income on the date of retirement or disposal.

(c) Deposits and accounts receivable

Deposits and accounts receivable are initially recognised at fair value and, after initial recognition, at amortised cost less any impairment losses for bad and doubtful debts, except for the following receivables:

- short-term receivables without stated interest rate and the effect of discounting being immaterial, that are measured at their original invoiced amount less any impairment losses for bad and doubtful debts; and
- interest-free loans made to related parties without any fixed repayment terms or the effect of discounting being immaterial, that are measured at cost less any impairment losses for bad and doubtful debts.

HONG KONG REPERTORY THEATRE LIMITED  
(LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014

**3 Summary of significant accounting policies - Continued**

**(c) Deposits and accounts receivable - continued**

A provision for impairment of deposits and accounts receivable is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtors, probability that the debtor will enter into bankruptcy or financial reorganisation, and default or delinquency in payments are considered indicators that the accounts receivable is impaired. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The carrying amount of the assets is reduced through the use of an allowance account, and the amount of the loss is recognised in the statement of comprehensive income. When an account receivable is uncollectible, it is written off against the allowance account for account receivable. Subsequent recoveries of amounts previously written off are credited against the statement of comprehensive income.

**(d) Cash and cash equivalents**

Cash and cash equivalents comprises cash on hand and at bank, demand deposits with bank and other financial institutions, and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition.

**(e) Accounts payable and accruals**

Accounts payable and accruals are initially recognised at fair value and, after initial recognition, at amortised cost, except for the following payables:

- short-term payables without stated interest rate and the effect of discounting being immaterial, that are measured at their original invoiced amount; and
- interest-free loans from related parties without any fixed repayment terms or the effect of discounting being immaterial, that are measured at cost.

**3 Summary of significant accounting policies - Continued**

**(f) Provisions and contingent liabilities**

Provisions are recognised for liabilities of uncertain timing or amount when the Company has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

**(g) Income tax**

The Company is a non-profit-making charitable organisation and the charge for Hong Kong taxation is exempted. Therefore, deferred taxation is not accounted for in these financial statements.

**(h) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable.

Provided it is probable that the economic benefits will flow to the Company and the revenue and the costs, if applicable, can be measured reliably, revenue is recognised in profit or loss as follows:

- (i) Government subvention is recognised under the term of agreement on accrual basis.
- (ii) Box office and performance income and outreach, education and other activities income are recognised when the performance presented.
- (iii) Donations and sponsorship received is recognised on cash receipt basis.
- (iv) Other income is recognised on cash receipt and accrual basis.
- (v) Interest income is recognised using the effective interest method.

**3 Summary of significant accounting policies - Continued**

**(i) Employee benefits**

**(i) Paid leave carried forward**

The Company provides paid annual leave to its employees under their employment contracts on a financial year basis. Under certain circumstances, such leave which remains untaken at the balance sheet date is permitted to be carried forward and utilised by the respective employees in the following year. An accrual is made at the balance sheet date for the expected future cost of such paid leave earned during the year by the employees and carried forward.

**(ii) Retirement benefit costs**

The Company operates in a defined contribution Mandatory Provident Fund retirement benefits scheme (the "MPF Scheme") in Hong Kong under the Mandatory Provident Fund Schemes Ordinance, for those employees who are eligible to participate in the MPF Scheme. Contributions are made based on a percentage of the employees' basic salaries and are charged to the statement of comprehensive income as they become payable in accordance with the rules of the MPF Scheme. The Company's employer contributions vest fully with the employees when contributed into the MPF Scheme.

**(j) Operating leases**

Lease where substantially all the risks and rewards of ownership of assets remain with the lessor are accounted for as operating leases.

Where the Company is the lessee, lease payments under an operating lease are recognised as an expense on a straight-line basis over the lease period.

**(k) Development fund**

The development fund is used for non-subvented projects which fall outside the ambit of Government Subvention through the Secretary of the Home Affairs. The income statement of the development fund is separated from that for Government Subvention's through the Secretary of Home Affairs. The fund is to be used for matching any recurrent and non-recurrent financial commitments created by acceptance of donation for specific purpose.

(I) Related parties

- (1) A person, or a close member of that person's family, is related to the Company if that person:
  - (i) has control or joint control over the Company;
  - (ii) has significant influence over the Company; or
  - (iii) is a member of the key management personnel of the Company or the Company's parent.
- (2) An entity is related to the Company if any of the following conditions applies:
  - (i) The entity and the Company are member of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
  - (iii) Both entities are joint ventures of the same third party.
  - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company.
  - (vi) The entity is controlled or jointly controlled by a person identified in (1).
  - (vii) A person identified in (1)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014

4 The adoption of new and revised HKFRS

The HKICPA has issued certain new and revised HKFRS that are first effective or available for early adoption for the current accounting period of the Company. Of these, the following developments are relevant to the Company's financial statements:

- Amendments to HKAS 1, Presentation of financial statements – Presentation of items of other comprehensive income
- HKFRS 11, Joint arrangements
- HKFRS 13, Fair Value measurement
- Annual improvements to HKFRSs 2009-2011 Cycle
- Amendments to HKFRS 7 - Disclosures- Offsetting financial assets and financial liabilities

**Amendments to HKAS 1, Presentation of financial statements – Presentation of items of other comprehensive income**

The amendments require entities to present separately the items of other comprehensive income that would be reclassified to profit or loss in the future if certain conditions are met from those that would never be reclassified to profit or loss. The presentation of other comprehensive income in the statement of comprehensive income in these financial statements has been modified accordingly. In addition, the Company has not chosen to use the new title “statement of profit or loss” and “statement of profit or loss and other comprehensive income” as introduced by the amendments in these financial statements.

**Amendments to HKFRS 7 - Disclosure - Offsetting financial assets and financial liabilities**

The amendments introduces new disclosures in respect of offsetting financial assets and financial liabilities. Those new disclosures are required for all recognised financial instruments that are set off in accordance with HKAS 32, Financial instruments: Presentation and those that are subject to an enforceable master netting arrangement or similar agreement that covers similar financial instruments and transactions, irrespective of whether the financial instruments are set off in accordance with HKAS 32.

The adoption of the amendments does not have an impact on these financial statements because the Company has not offset financial instruments, nor has it entered into master netting arrangement or similar agreement which is subject to the disclosures of HKFRS 7 during the period presented.

(LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014

**4 The adoption of new and revised HKFRS - Continued**

**HKFRS 11, Joint arrangements**

HKFRS 11, which replaces HKAS 31, Interests in joint ventures, divides joint arrangements into joint operations and joint ventures. Entities are required to determine the type of an arrangement by considering the structure, legal form, contractual terms and other facts and circumstances relevant to their rights and obligations under the arrangement. Joint arrangement which are classified as joint operation's under HKFRS 11 are recognised on a line-by-line basis to the extent of the joint operator's interest in the joint operation. All other joint arrangements are classified as joint ventures under HKFRS 11 and are required to be accounted for using the equity method in the Company financial statements. Proportionate consolidation is no longer allowed as an accounting policy choice.

As a result of the adoption of HKFRS 11, the Company has changed its accounting policy with respect to its interests in joint arrangements and re-evaluated its involvement in its joint arrangements.

**HKFRS 13, Fair value measurement**

HKFRS 13 replaces existing guidance in individual HKFRSs with a single source of fair value measurement guidance. HKFRS 13 also contains extensive disclosure requirements about fair value measurements for both financial instruments and non-financial instruments. The adoption of HKFRS 13 does not have any material impact on the fair value measurements of the Company's assets and liabilities.

**Annual Improvements to HKFRSs 2009-2011 Cycle**

This cycle of annual improvements contains amendments to five standards with consequential amendments to other standards and interpretations. Among them, HKAS 1 has been amended to clarify that an opening balance sheet is required only when a retrospective application of an accounting policy, a retrospective restatement or a reclassification has a material effect on the information presented in the opening balance sheet. The amendments also remove the requirement to present related notes to the opening when such statement is presented.

The Company has not early applied any new standard, amendment or interpretation that has been issued but is not yet effective for the current accounting period (note 24).

NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014

**10 Prepayments, deposits and accounts receivable**

Apart from the deposits amounted to HK\$933,080 (2013: HK\$193,080), they are expected to be recovered or recognised as expenses within one year and are neither past due nor impaired. The maximum exposure to credit risk at the balance sheet date is the carrying value as mentioned in the financial statements. The Company does not hold any collateral as security.

**11 Bank term deposits/cash and cash equivalents**

	2014 HK\$	2013 HK\$

Cash and cash equivalents in the statement of cash flows	<u><u>9,379,995</u></u>	<u><u>5,986,495</u></u>

The effective interest rates on short term deposits were ranged from 0.01% to 1.8% (2013: 0.01% to 1.2%) per annum. These deposits have an average duration of maturity ranged from 2 weeks to 6 months (2013: 2 weeks to 6 months).

**12 Box office and performance income and others received in advance and accounts payable and accruals**

They are expected to be settled or recognised as income within one year or are payable on demand.

**13 General activities**

As per the agreement entered with the Government, the Company may keep and carry forward a reserve of not more than 25% of the total expenditure as revealed in the audited annual financial statements for the subvention period to serve as a buffer against contingencies in the subsequent year and as an incentive to economise its spending in the year. Reserve means the surplus (if any) as revealed in the audited annual financial statements net of sponsorship, donations and income and expenditure of self-financing activities.

In previous years, an earmarked grant of HK\$1,000,000 per annum is received from the Government in support of the outbound cultural exchange activities of the Company. Any surplus resulted from carried out of such activities should be carried forward to future for the same use. However, since last year the Government's grant for these activities has not been separated but merged with the principle grant and thus, the surpluses brought down from previous years are continued to be used for the same activities until they are fully exhausted.

The Company was appointed by the Government acting through the Director of Leisure and Cultural Services to be the venue partner at the Hong Kong City Hall under the Venue Partnership Scheme in a view to foster Hong Kong City Hall to become a destination for the theatergoing public. In years before last, lump sum grants are received from the Government each year in support of the venue partnership scheme activities of the Company. Any surpluses resulted from carried out of such activities should be carried forward to future for the same use whereas any deficit resulted from carried out of such activities should be funded by the general activities reserves. However, as from last year, the Government's grant for these activities has not been separated but merged with the principle grant. Subsequent to the exhaustion of the activities surplus in last year, all income and expenditure of the activities are integrated into the general activities effective from current year.

As per the agreement entered with the Government, a total grant of HK\$2,680,000 should be received from the Government for the purpose of the series. Upto the balance sheet date, total amount of HK\$2,412,000 was received and credited to "Box office and performance income and others received in advance" account in the balance sheet as a current liability. The liability would be recognised as government subvention according to the funding requirement of the programmes performed during the year. An amount of HK\$1,052,640 per above was recognised as subvention income for the year and left a balance of HK\$1,359,360 still remained as a liability in the balance sheet at 31st March, 2014. The fund received from the Government has been deposited in a separate local bank account with the interest earned from it credited as an income of the programme per above. The Company would bear the excess expenditure if any, upon the completion and finalization of the series. If there were, any unspent portion of the grant, they should be carried forward to the future for the same use, or otherwise, any reallocation of them to other funding must be agreed by the Government.

20 Capital risk management

The Company is a corporation limited by guarantee without having a share capital. Hence the Company's capital comprises of the accumulated surplus which is subject to a specified level allowable to keep under the funding agreement entered with the Government and development fund stated on the balance sheet. Except for herein mentioned, the Company is not subject to other internally or externally imposed capital requirements. The Company's objective when managing capital is to safeguard its ability to continue as a going concern, so that it can continue to engage in promotion, maintenance, improvements and advancement of the interest of the public in Hong Kong and elsewhere in drama and various related art forms.

The Company manages capital by regularly monitoring its current and expected liquidity requirements rather than using debt/equity ratio analyses.

The Company is incorporated without any share capital but by guarantee of the members of the Company who undertake to contribute to the assets of the Company, in the event of its being wound up, for payment of the debts and liabilities of the Company up to the amount of HK\$100.

NOTES TO THE FINANCIAL STATEMENTS - 31ST MARCH, 2014

**21 Financial risk management**

**(A) Financial instruments**

The Company major financial instruments include deposits and accounts receivables, payable and accruals. Details of these financial instruments are disclosed in the respective notes.

The risks associated with these financial instruments and the policies on how to mitigate these risks are set out below.

**(B) Financial risk factors**

The Company is exposed to market risk, credit risk and liquidity risk arises in the normal course of the Company's business. These risks are limited by the Company's financial management policies and practices described below.

**(a) Market risk**

**(i) Foreign currency risk**

The Company has no significant exposure to foreign currency risk as nearly all the Company's transactions are denominated in Hong Kong dollars.

**(ii) Cash flow interest rate risk**

Except short term bank deposits bear interest subject to changes in market rate at the time of renewal, the Company has no other significant interest-bearing assets and liabilities. Thus, the Company's income, expense and operating cash flows are substantially independent of changes in market interest rates.

**Sensitivity analysis**

With 1% changes in interest rates, with all other variable held constant, both the Company's results for the year and its funds would be affected by approximately HK\$192,000 (2013: HK\$186,000). The analysis is performed on the same basis for 2013.

21 Financial risk management - continued

(B) Financial risk factors - continued

(b) Credit risk

The major debtors at 31st March, 2014 are mainly Government agency which should not have any significant credit risk.

The credit risk on liquid funds is limited because the counterparties are authorised financial institutions listed in The Stock Exchange of Hong Kong Limited and regulated under Hong Kong Banking Ordinance.

(c) Liquidity risk

The Company is exposed to minimal liquidity risk as the Company regularly monitors its current and expected liquidity requirements to ensure that it maintains sufficient reserves and bank balances to meet its liquidity requirements in the short and longer term.

The following table details the remaining contractual maturities at the balance sheet date of the Company's non-derivatives financial liabilities, which are based on contractual undiscounted cash flows (including interest payment computed using contractual rates or, if floating, based on rates current at the balance sheet date) and the earliest the Company can be required to pay.
